Ad Host Terms of Service

- Updated Sep 08, 2026

These Ads By Ini Terms of Service (the “Terms”) govern the relationship between **Ads By Ini Inc.** (“Ads By Ini”, “we”, “us”, “Marketplace” or the “Platform”) and the individual or entity that registers an account as an **Ad Host (“Host”)** to list their available Advertising Spaces on Ads By Ini’s advertising marketplace.

1. **Legal Authority:** You represent that you have full legal rights to host ads.
2. **Marketplace Role:** Ads By Ini is the technology marketplace connecting advertisers with Hosts and facilitating advertising bookings and payments.
3. **Service Partners:** Physical installation, maintenance, servicing, and related operational services may be provided or coordinated by third-party service providers, including Ini Ops Canada Inc. and other providers.
4. **72-Hour Approval:** You have 72 hours to review and reject any ad campaign. If no action is taken within 72 hours, the campaign will be automatically approved.
5. **Premises Access:** You must provide reasonable access during business hours for third-party partners to install or service hardware.
6. **Premises & Liability:** The Host remains responsible for the safety and condition of the premises and for premises-related claims or incidents arising from the Ad Space.
7. **Hardware Care:** Advertising hardware remains the property of the service partner at all times. The Host agrees to take reasonable care of the hardware while it is on the premises and, upon termination of the agreement, return it in substantially the same condition, reasonable wear and tear excepted.
8. **Vacant Inventory:** Unfilled ad spaces may display Ads By Ini’s in-house promotional content. Electricity compensation may be provided to the Host if a

promotional offer is active, as conveyed in writing upon enrollment.

9. **Payout Terms:** You receive a percentage of active advertising revenue every 30 days, subject to a \$50 minimum withdrawal threshold and verified installation proof.
10. **Anti-Bypass Rule:** Advertisers introduced through Ads By Ini must continue to book through the Platform for 12 months; bypassing the Platform may trigger contractual fees.
11. **Dispute Resolution:** Disputes are governed by the laws of British Columbia and resolved through binding online arbitration in Vancouver.
